

## 22nd Annual Professional Development Mine Safety Seminar for Supervisors

The Penn State Miner Training Program, in cooperation with government and industry sponsors, is hosting a seminar on January 17th and 18th, 2018 at the Holiday Inn Conference Center—Lehigh Valley. The objective of the seminar is to enhance the safety management skills of supervisors.

**January 17 and 18, 2018**

**Holiday Inn Conference Center Lehigh Valley**

7736 Adrienne Drive • Breinigsville, PA 18031 • (Rts. I-78 /100 South) • (610) 391-1000

**The cost is \$85 per person.**

**For more details, the Complete Agenda and to Register go to**

**<https://sites.psu.edu/minertraining/safetyseminar>**

The seminar is an excellent opportunity for supervisory and safety support personnel to improve their safety management skills by learning about the latest approaches for enhancing health and safety in the workplace. There will be exhibits of mine health and safety-related resources and training materials. Exhibitors include government and industry vendors. This year's program is a mix of safety management topics of timely interest. If you only attend 1 seminar this year, make it this one.

**This Years Topics Include:**

- MSHA Update.
- Legal Liability for EHS Professionals.
- MineFit-Targeted interventions for the improvement of safety and miner well-being.
- Beyond the Final Rule: The Impact of Competency and Adequacy in Metal/Non Metal Workplace.
- Protect your Employees and Company Reputation: Do's and Don'ts of Effective Safety Communication.
- Train-the-Trainer Basics for Health and Safety Professionals.
- MSHA/OSHA Silica Requirements
- Additional topics coming, topics not confirmed yet.
- Open Discussions.
