# Miner Training Program

The Penn State Miner Training Program, in cooperation with government and industry sponsors, is hosting a **1-day online seminar** for mine supervisors and safety professionals on:

**Please Register to Attend!      January 20, 2021**

Our 25th seminar is an excellent opportunity for supervisory and safety support personnel to improve their safety management skills by learning about the latest approaches for enhancing health and safety in the workplace.

As always, this year's program will include a mix of timely safety management topics.
