Miner Training Program

SAVE THE DATE!

SEPTEMBER 29, 2021

8:30 a.m. to 3:30 p.m.

**Professional Development Online
Webinar for Mine Supervisors,
Competent Persons,
and Safety Professionals**

As part of our State Grant outreach service to the state of Delaware, the Penn State University Miner Training Program, along with invited safety and health specialists will be conducting a 1-day professional development webinar for mine supervisors, competent persons, and safety professionals. This program can be valuable to all mine operators and contracting companies. The purpose of the workshop is to enhance safety at your operation through education and training.

NO CHARGE TO ATTEND!
